

Christmas Card Order Form 2018

UnitingCare West is excited to be able to offer for purchase mixed packs of Christmas cards, designed by students from Uniting Church schools in our network.

Each pack contains 9 cards (3 of each design), and costs \$15.

Funds raised through the purchase of these cards will support those in our community doing it tough this Christmas.

Orders must be finalised and forms returned by 2 November 2018 so that they can be ordered in time for Christmas. Orders will be distributed to your nominated school for collection by the start of December 2018.
