

NOTIFICATION OF ROADWORKS

Claremont Crescent – Pedestrian Shared Path Improvement Works

To Residents and Businesses,

DM Roads, on behalf of Main Roads WA, wish to advise road users, residents and businesses that works will be undertaken along Claremont Crescent at the location listed below:

- **Between Australind St & Stirling Rd**

The works will be carried out between Monday 18th November to Friday 22nd November 2019 weather and other circumstances, beyond our control, permitting. Hours of work will be between 09:00AM and 03:00PM. The works are programmed to be completed within the above dates, over a period of 3 shifts. During this time there will a stop/slow arrangement on Claremont Crescent, partial PSP closures, and road users should expect delays in the above locations. It is likely that increased noise levels will be occurring while these works are being completed.

Road users should be aware that **verge parking will be unavailable** in the vicinity of the work site while the works are in progress. However, DM Roads will endeavour to maintain traffic flow through the area. The road will be traffic controlled to allow the movement of public traffic but road users should expect delays.

For the safety of road users and road workers, speed limit restrictions will apply during work hours in the vicinity of the worksite. Road users are urged to slow down when approaching the worksite, obey all signs and signals, and show courtesy to other road users.

For further information please contact Russell Sheppard on 0438 892 557.

Emergency or after hours contact can be made via the Main Roads Western Australia's 'All Hours' Customer Information Centre number 138 138.

Your patience while these necessary safety works are in progress is appreciated.
